Cornelius

100% corn

Natural corn litter for cats – it is the perfect filling for every pet's litter box. It clumps perfectly, does not dust and does not stick to the cat's fur. It is biodegradable – it can be flushed down in the toilet (in single lumps) and composted. Choose from a natural version (pure corn) and with the addition of a pleasant aroma of herbs. Available in comfortable 7-litre and 25-litre bags.
