COMFY APPÉTIT PREMIUM

# WITH SALMON

## Valuable protein

Salmon is a source of protein which is essential for proper digestive, immune and cardiovascular functions, as well as maintaining high energy levels throughout the day.

## Healthy eyesight and nervous system

Fish is rich in unsaturated fatty acids (including Omega 3) which strengthen the eyesight and the nervous system.

## Healthy skin and coat

Vitamins B, A, E and D that salmon meat contains help keep the skin and coat in good condition.

COMFY APPÉTIT PREMIUM

# WITH SALMON

## Composition

meat and offal 96%:  
salmon, chicken (meat, livers  
and hearts), beef (lungs, liver, hearts),  
minerals, xylose

## Product Analysis

crude protein – 6.8%  
crude oils and fats – 6.2%  
crude ash – 2.4%  
crude fibre – 0.3%  
moisture – 80.7%

COMFY APPÉTIT PREMIUM

# WITH BEEF

## Natural recipe

By enriching our pet food with beef, we obtained a source of easily assimilable protein, iron and numerous vitamins, including A, D and group B vitamins.

## A dog full of vigour

The nourishing food increases your dog's physical performance and muscle strength, as it improves metabolism.

## Tastiness

The mixture of offal and meat blends flavours that pets love.

crude ash – 2.4%  
crude fibre – 0.3%  
moisture – 80.7%

COMFY APPÉTIT PREMIUM

# WITH DUCK

## Essentials nutrients

Comfy Appétit Premium Food with Duck has been enriched with, for example, iron, phosphorus, potassium and B vitamins, responsible for a healthy cardiovascular system and bone strength.

## Nourishing

Duck is a source of the valuable protein that is also suitable for dogs with digestive problems. A real vitamin bomb, the offal used in this food enhances its taste and nutritional values.

## Unsaturated fatty acids

These are essential for the smooth functioning of the nervous system and fighting inflammation.

moisture – 80.7%

COMFY APPÉTIT PREMIUM

# WITH LAMB

## Rich in proteins

Lamb food contains easily assimilable, high-digestibility protein, an essential dietary nutrient for dog's hormone production, growth and tissue regeneration.

The combination of different types of meat with offal makes the taste of the food even more appealing to your four-legged pets.

## Supports the whole body

Lamb is distinguished by its high levels of iron, copper and vitamin B12, which have beneficial effects primarily on the the immune system, the cardiovascular system and the nervous system.

## Healthy fats

Lamb is an excellent source of unsaturated fatty acids which are key to maintaining healthy skin and a shiny coat.

COMFY APPÉTIT PREMIUM

# About Us

## Complete Pet Food

We aim to thoroughly fulfil the nutritional needs of pets. We consult with a veterinarian during the process of introducing a product to the market.

## Pet food for animal health and development

- No dyes or artificial additives
- High content of meat ingredients
- Rich in vitamins and minerals

## **We started our development with Comfy Appétit over 10 years ago**

Our experience in developing tasty and healthy treats for dogs and cats has allowed us to go further. We have decided to expand our product range with pet foods with a high content of meat ingredients for dogs and cats.

## Naturalness

We use only natural ingredients in our products.

## Quality

We focus on selected, high-quality ingredients.

## Deliciousness

We believe that it is important that petfood is tasty and that our four-legged friends enjoy it.

## Up to 96% of meat

The most important ingredient is meat. We want animal products to be the main source of protein in our foods.

## Gluten-free

We only offer gluten-free foods.

## No colours or artificial flavours

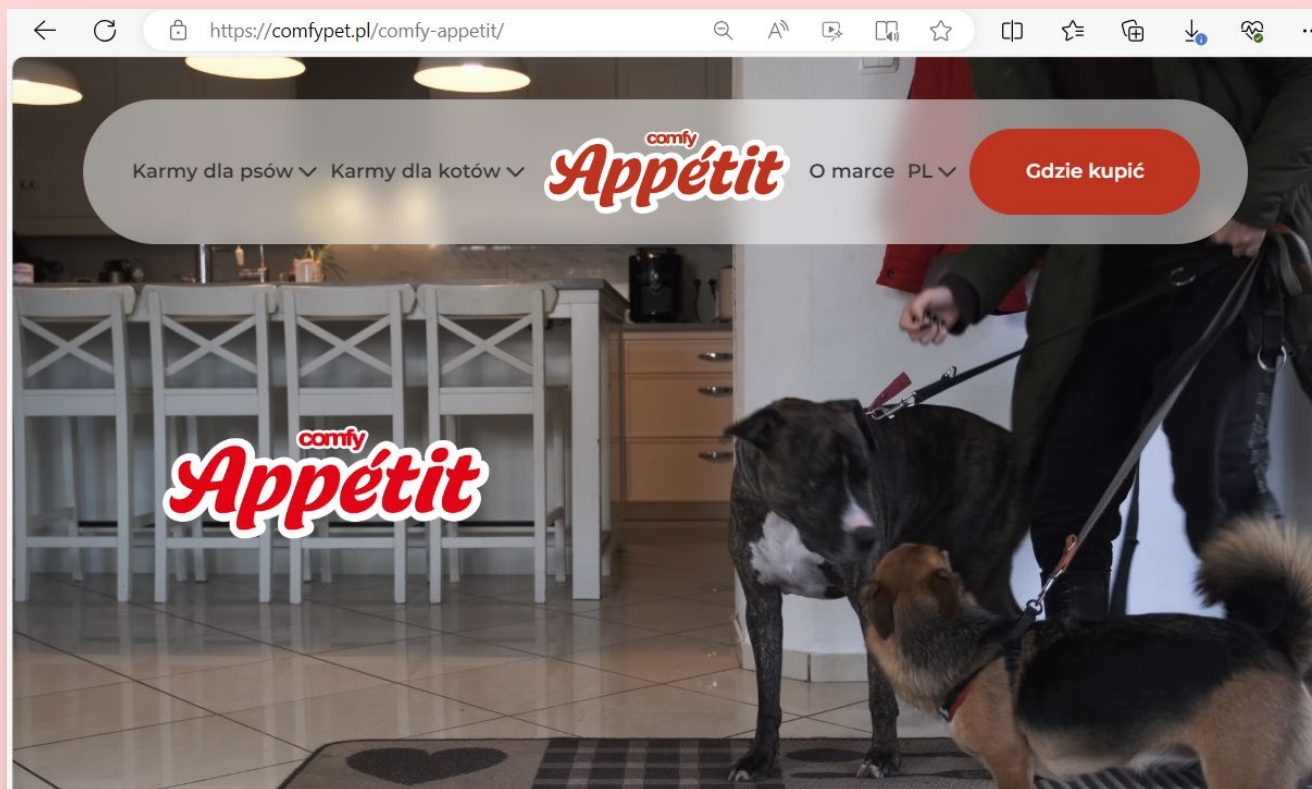

Our products do not contain artificial colors or preservatives.
