Premium Mousse

Any cat can not resist

Comfy Appétit Premium Mousse is a complete wet food for adult cats based on natural ingredients. **The product contains 96% meat and animal by-products. The recipe is based only on animal proteins.** The meat in the Comfy Appétit Premium Mousse wet food comes from local suppliers, with the production in the EU.

A formula made by nature

The product contains no preservatives, flavour enhancers, grains or artificial colours.

Balanced protein content — the basic building block for the body and an important source of energy, it proves the high quality of Comfy Appetit Premium Mousse. The origin and percentage of cat's dietary protein are key factors in its proper metabolic processes.

**no gluten

Tender, meaty mousse

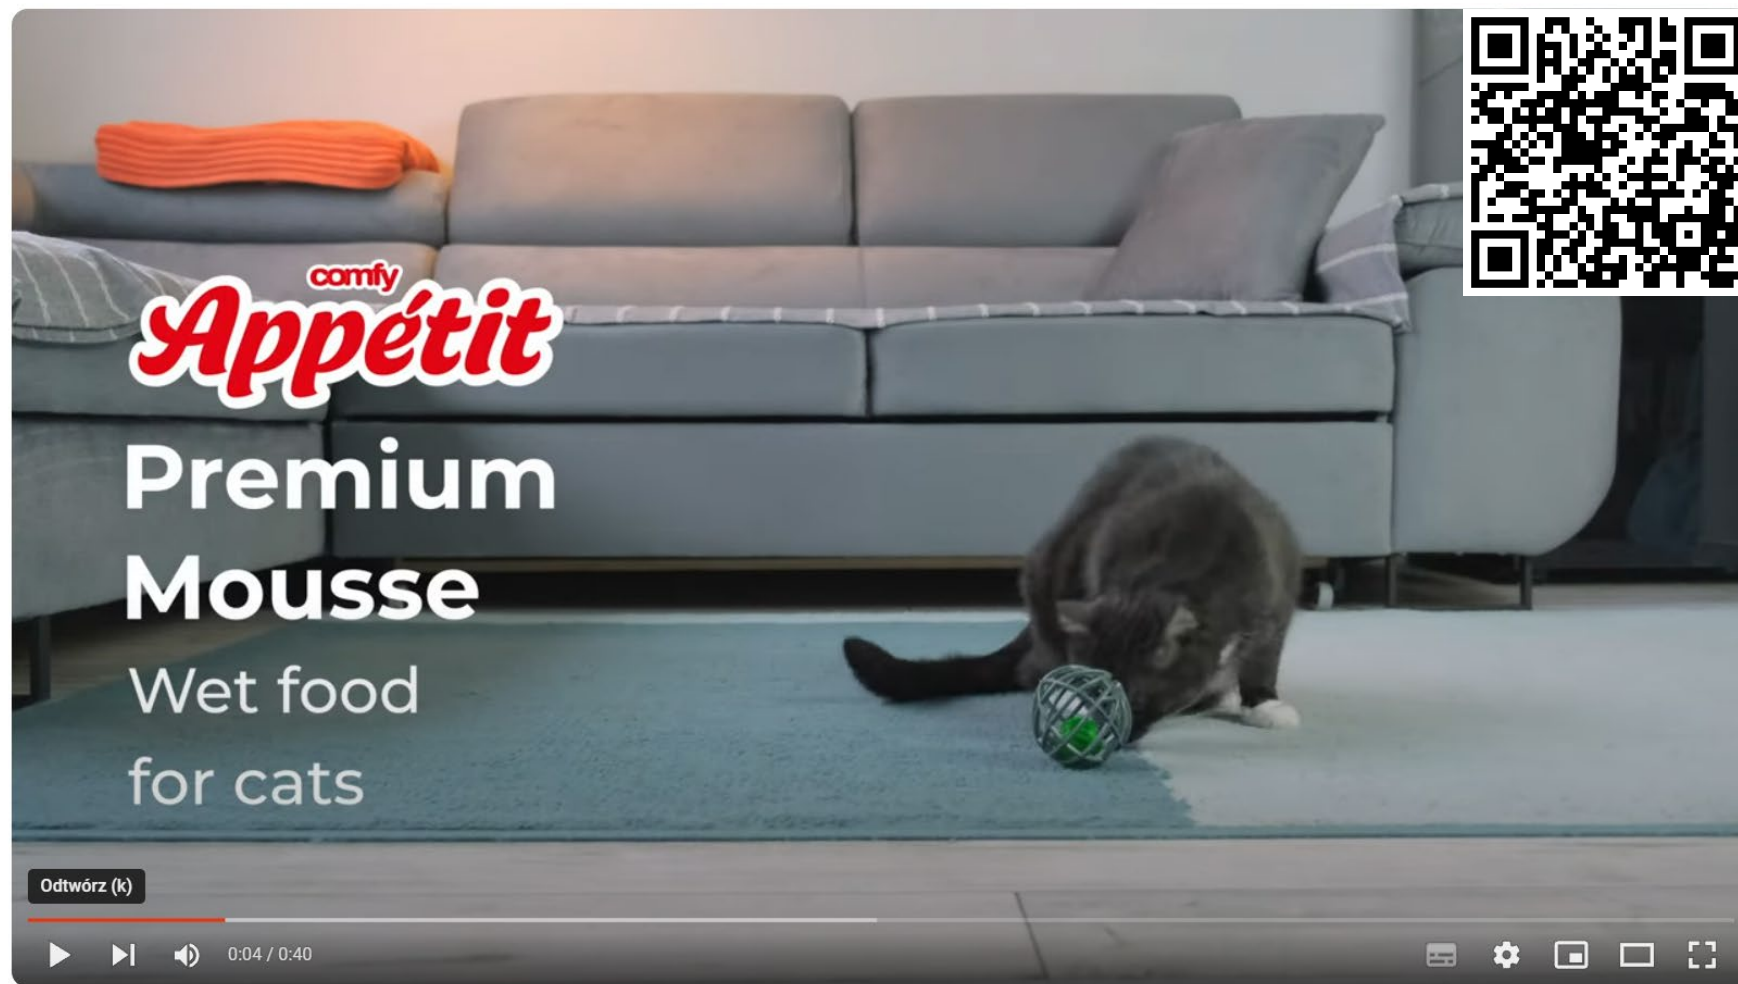

A feast for the feline senses: the texture and aroma that attract pets.

The food has high moisture content (over 80%) for even greater palatability, more adequate hydration and the support of your cat's kidney and urinary system. The gluten-free Comfy Appetit Food has been made specially to suit the needs of pets with sensitive stomachs.

COMFY APPÉTIT PREMIUM MOUSSE

TURKEY

Comfy Appétit Premium Mousse contains 96% meat and animal by-products (including 28% turkey), the rest are vitamins and minerals.

Easily digestible protein

Turkey meat is easily digestible and low in calories, which makes it a valuable source of easily digestible protein.

Source of macronutrients, micronutrients and vitamins

High in taurine, an essential ingredient for the proper heart and immune system functions. Taurine also supports the cat's senses (eyesight in particular).

Unsaturated fatty acids

Turkey supplies unsaturated fatty acids and has a beneficial effect on the nervous system and fertility.

COMFY APPÉTIT PREMIUM MOUSSE

TURKEY

Composition

meat and offal 96%: turkey (meat),
white fish, beef (liver, lungs),
minerals, xylose

Product Analysis

crude protein – 7.2%
crude oils and fats – 5.5%
crude ash – 3.0%
crude fibre – 0.3%
moisture – 81.4%

COMFY APPÉTIT PREMIUM MOUSSE

RABBIT

Comfy Appetit premium Mousse contains 96% meat and animal by-products (including 27% rabbit), the rest are vitamins and minerals.

Easily digestible protein

Low-calorie rabbit meat is an excellent source of easily digestible protein. Rabbit-rich food is an especially good alternative for older cats, sick cats or cats suffering from sensitive digestive systems.

Outstanding fatty acid profile

Excellent fatty acid profile – rabbit meat has an excellent protein-to-fat ratio, does not raise cholesterol levels and contains large amounts of linolenic acid which helps maintain the shine of your cat's coat.

Hypoallergenic meat

Rabbit is a tender meat that with highly hypoallergenic properties.

COMFY APPÉTIT PREMIUM MOUSSE

RABBIT

Composition

meat and offal 96%: rabbit (meat),
chicken (meat, livers), salmon,
minerals, xylitol

Product Analysis

crude protein – 8.3%
crude oils and fats – 5.0%
crude ash – 2.5%

moisture – 81.8%.

COMFY APPÉTIT PREMIUM MOUSSE

SALMON

Comfy Appétit premium Mousse contains 96% meat and animal by-products (including 26% salmon), the rest are vitamins and minerals.

Valuable protein

The diet of a healthy cat needs valuable protein and good fats and salmon does contain both. Fish oils are a particularly excellent source of unsaturated fatty acids, which help care for a healthy brain function, good eyesight and a shiny coat.

Unsaturated fatty acids

Unsaturated fatty acids have anti-inflammatory effects.

Source of iron and iodine

Fish provide pets with magnesium, responsible for bone and muscle strength, among other things, and iodine, which supports the functioning of the thyroid gland.

COMFY APPÉTIT PREMIUM MOUSSE

SALMON

Composition

meat and offal 96%: salmon, chicken (meat, livers), beef (liver, lungs), minerals, xylose

Product Analysis

crude protein – 6.9%
crude oils and fats – 5.9%
crude ash – 2.3%
crude fibre – 0.4%
moisture – 81.1%

COMFY APPÉTIT PREMIUM MOUSSE

BEEF

Comfy Appétit premium Mousse contains 96% meat and animal by-products (including 28% beef), the rest are vitamins and minerals.

Valuable protein

Beef is a source of valuable proteins – the main element in the cat's diet, essential for maintaining high energy and metabolism levels.

Rich in vitamins and minerals

Abundance of vitamins and minerals – beef contains many ingredients like taurine, iron, zinc, copper, and potassium, as well as calcium, phosphorus and B vitamins which are critical for the functioning of the small carnivores.

Unsaturated fatty acids

Beef provides the cat with fats which are essential for tissue formation, the functioning of the nervous and immune systems as well as the assimilation of vitamins.

About Us

Complete Pet Food

We aim to thoroughly fulfil the nutritional needs of pets. We consult with a veterinarian during the process of introducing a product to the market.

Pet food for animal health and development

- No dyes or artificial additives
- High content of meat ingredients
- Rich in vitamins and minerals

We started our development with Comfy Appetit over 10 years ago

Our experience in developing tasty and healthy treats for dogs and cats has allowed us to go further. We have decided to expand our product range with pet foods with a high content of meat ingredients for dogs and cats.

Naturalness

We use only natural ingredients in our products.

Quality

We focus on selected, high-quality ingredients.

Deliciousness

We believe that it is important that petfood is tasty and that our four-legged friends enjoy it.

Up to 96% of meat

The most important ingredient is meat. We want animal products to be the main source of protein in our foods.

Gluten-free

We only offer gluten-free foods.

No colours or artificial flavours

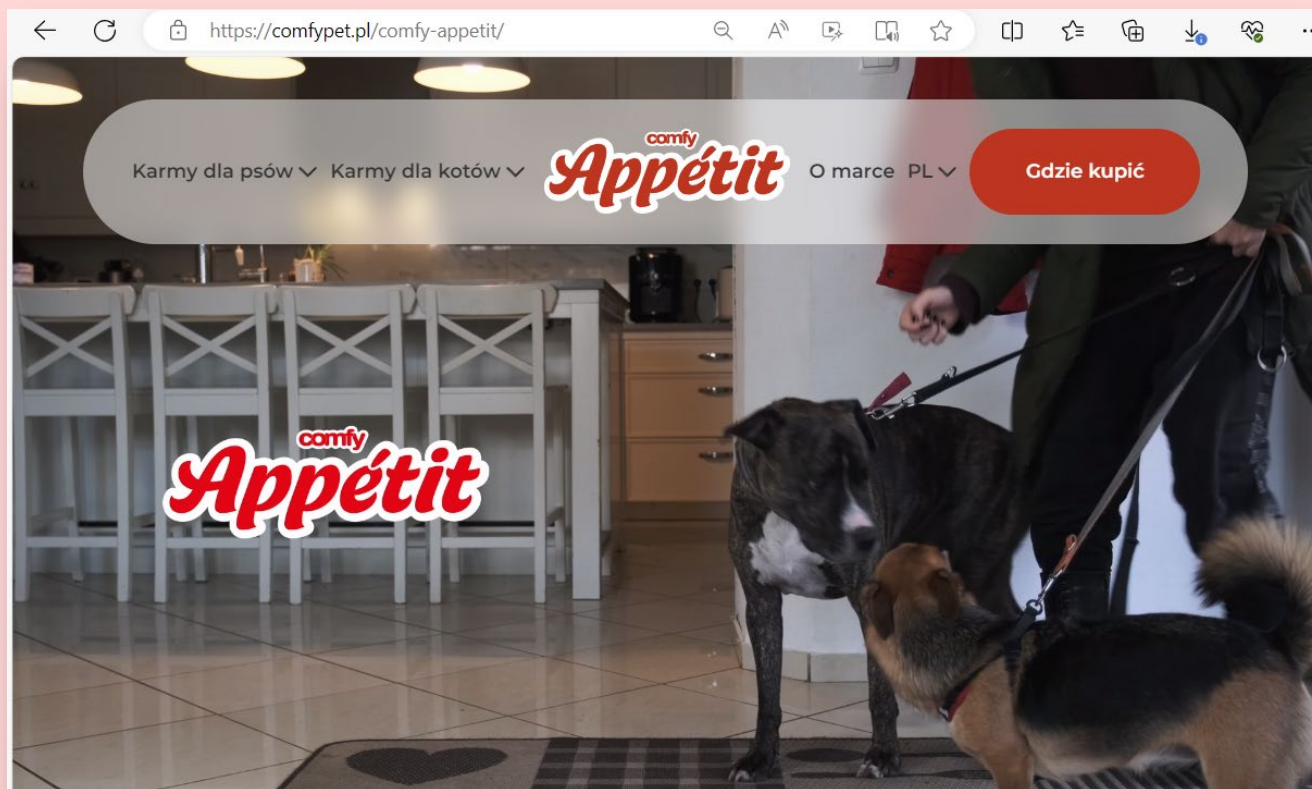

Our products do not contain artificial colors or preservatives.
